## United We Soar!

### A Message From The Principal:

*Isaiah 40:31 - "But those who hope in the Lord will renew their strength. They will soar on wings like eagles."*

This time of year brings a familiar rhythm to our city. The Houston Rodeo arrives with energy, tradition, and community celebration, while the arrival of Daylight Saving Time reminds us that the days are growing longer and brighter. Both moments signal a shift in the season—one that invites us to look forward with renewed energy and anticipation.

The Houston Rodeo is also a remarkable example of what can happen when many people come together with a shared purpose. Behind the livestock, performances, attractions, and events are countless individuals—organizers, volunteers, workers, and performers—each playing a role in bringing something special to life. We are reminded that meaningful accomplishments rarely happen alone. When people unite their gifts and efforts, extraordinary things can take shape.

And when the clock moves forward this weekend, we lose an hour of sleep but gain more daylight. That small shift reminds us that sometimes progress requires a little adjustment. Moving forward with God may call us to let go of comfort, change our pace, or step into something new—but the result is often greater light ahead.

Blessings,  
Ms. Ellis
